

Q: Will I get a receipt for my payroll giving donation?

Last Modified on 30/01/2019 12:31 pm AEDT

A: Receipts are not provided for payroll giving, as your donation has been made pre-tax already, so is not eligible for further tax deductions. Your annual company Group Certificate presented at tax time each year should show on it how much you have donated through your company payroll giving scheme, as will your Benjo payroll giving page.
