

Q: I want to give to a Cause, but they don't appear in my Payroll giving drop down list...why?

Last Modified on 30/01/2019 12:31 pm AEDT

A: Your Company Benajo administrator selects which Causes the business is happy to enable payroll giving for. There are many reasons your cause may not be in the list: they may not be a [deductible gift recipient \(DGR\)](#) (which is a requirement for payroll giving), the Cause may be yet to join Benajo (in which case, use our Suggest a Cause feature!), your Company may choose to only allow a small selection of causes for ease of administration or greater collective impact. Contact your Company's Benajo administrator for further details.
