

Forgotten or want to change your password?

Last Modified on 30/01/2019 12:21 pm AEDT

If you're logged in and want to Change your password, select that option from your named drop down menu.

If you've forgotten it altogether or can't log in at all,select **Reset password** on the login page. You'll receive a reset email to your registered address with a link that lets you reset it.

Still having issues? Contact us at support@benojo.com
